NOTES:

If students transfer to SIUC before the IAI GECC or AA or AS degree is complete, there may be additional hours in general education to total 43 semester hours at SIUC.

1. A grade of "C" or better is required in both English 101 and English 102.
2. Physical Science: Any BHC IAI P course. NOTE: Life Science or Physical Science must include a lab.
3. Math 112 is the prerequisite for MATH 131, 132, and 228 and is applicable as an elective toward BHC graduation. Additional math prerequisites may be required based on the student's math algebra placement scores. Courses below college level will not apply toward graduation.
4. Humanities/Fine Arts: Any BHC IAI H, F or HF course. One H course and one F course must be completed, as well as one course in either the H, F or HF category.
5. Life Science Electives: Any BHC IAI L1 course. NOTE: Life Science Elective or Physical Science Elective must include a lab.
6. Non-Western Studies: Any BHC IAI N course or one of the following AG 288, ECON 270, or SPEC 175. SBS 200 also meets the Non-Western Studies requirement for students graduating under the BHC 2011 Catalog or later.

Black Hawk College General Information:

This guide is not intended to be a contract with SIUC. The information of this guide is subject to change; students are advised to contact SIUC to keep informed of changes. Final responsibility for verifying all transfer information lies with the student. Use this guide in conjunction with the BHC catalog at www.bhc.edu. The student will use the catalog to fulfill degree requirements.

Southern Illinois University Carbondale Information:

The Business Administration Degree Completion program at Southern Illinois University Carbondale only requires an additional 60 hours of junior and senior level course work in order to complete a bachelor of science degree from an **AACSB accredited** program. The AACSB accreditation is the *highest* standard of achievement for a business school, worldwide. Many employers look for graduates from an AACSB program, because they have graduated from a *quality* program. SIUC College of Business is in the **top 10%** of public colleges of business in the nation.

Students must apply to the University to the Business and Administration (BNAD) program. Courses are taught in 'content areas' during a traditional semester, which include two-eight week classes during the traditional 16 week term. Students may start the program in January, May, or December. The program is eligible for financial aid. Student services, including academic advisement and career placement, are available.
