**General Information:**

Students are required to have at least 64 credit hours for an Associate in Science degree.

- Students who plan to transfer to SIUC without A.S. degrees will need to be very careful in selecting courses at LLC that will satisfy the SIUC general education requirements. See your advisor.
- All business majors should have a "C" or better in all the bolded courses above.
- Minimum of 2.0 GPA to be accepted to the College of Business.

**Southern Illinois University Carbondale Information:**

The Business Administration Degree Completion program at Southern Illinois University Carbondale only requires an additional 60 hours of junior and senior level course work in order to complete a bachelor of science degree from an **AACSB accredited** program. The AACSB accreditation is the *highest* standard of achievement for a business school, worldwide. Many employers look for graduates from an AACSB program, because they have graduated from a *quality* program. SIUC College of Business is in the **top 10%** of public colleges of business in the nation.

Students must apply to the University to the Business and Administration (BNAD) program. Courses are taught in 'content areas' during a traditional semester, which include two-eight week classes during the traditional 16 week term. Students may start the program in January, May, or December. The program is eligible for financial aid. Student services, including academic advisement and career placement, are available.
